

Industry Interaction

***GIF Policy Meeting: Tokyo
Sep 19-20, 2002***

Overview of Proposal

- *Establish a Plan for interaction between GIF and world nuclear industry*
- *Objective*
 - *Inform industry of GIF's objectives and long-term R&D plans*
 - *Engage industry for advice on GIF activities*
- *Goals*
 - *Define role of industry panel*
 - *Establish process for panel formation*
 - *Engage panel in future GIF discussions*

Senior Industry Panel

- *High level executives (8) from GIF member country vendor and technology companies*
- *Periodic meetings between GIF Policy Group and GIF Panel to focus on long-term strategic issues:*
 - *regulation and common concept licensing areas*
 - *non-proliferation*
 - *economics*
 - *fuel leasing*
 - *regional fuel centers*
- *Panel members serve 2-year term with possible rotation*
- *Nuclear trade associations (e.g., WNA, NEI) would not be represented on panel*

Path Forward

- September 2002:** GIF Policy Group agrees on premise of industry interaction proposal*
- October 2002:** GIF Policy Group develops charter for Senior Industry Panel and solicits letters of interest from their respective nuclear industries*
- January 2003:** GIF Policy Group identifies and agrees to Senior Industry Panel membership*
- March 2003:** Panel attends GIF meeting tentatively scheduled for South Africa*
